

Declaration of Independent Authorship

Original work

I expressly declare that the written work I submitted to the University of Zurich in the spring/autumn semester of 20... with the title

.....

is an original work written by myself, in my own words, and without unauthorized assistance. If it is a work by several authors, I confirm that the relevant parts of the work are correctly and clearly marked and can be clearly assigned to the respective author.

I also confirm that the work has not been submitted in whole or in part to receive credit for another module at the University of Zurich or another educational institution, nor will it be submitted in the future.

Use of sources

I expressly declare that I have identified all references to external sources (including tables, graphics etc.) contained in the above work as such. In particular, I confirm that, without exception and to the best of my knowledge, I have indicated the authorship both for verbatim statements (citations) and for statements by other authors reproduced in my own words (paraphrases).

Use of text generation models

I expressly declare that I have not only identified existing external sources, but also any automatically generated text that is contained in the above work. I have used the same citation style as if the text had been generated by a human to indicate the source of the automatically generated text. If the contribution of text generation models cannot be linked to specific text passages (see the associated guidelines), I have included a chapter describing the contributions of the text generation model. I acknowledge that no explicit citation is necessary where text generation models are merely used correctively (to improve grammar or idiomaticity of my own words).

Sanctions

I acknowledge that a thesis that is used to acquire credit and proves to be plagiarism with the meaning of the document [Erläuterung des Begriffs „Plagiat“](#) leads to a grade

deduction in minor cases, a grade 1 (one) in more severe cases, without the possibility of revision, and in very severe cases can have the corresponding legal and disciplinary consequences according to §§ 7ff of the “Disziplinarordnung der Universität Zürich” and § 36 of the “Rahmenordnung für das Studium in den Bachelor- und Master-Studiengängen der Philosophischen Fakultät der Universität Zürich”.
